

Ivana gets TSX-V approval for Nevada land acquisition

2008-04-30 13:18 MT - News Release

Mr. J. Lal Gondi reports

IVANA AGM DATE, PROPOSES NAME CHANGE

Ivana Ventures Inc. will hold its annual general meeting at 10 a.m. on June 20, 2008, at the company's offices at 3364, 1055 Dunsmuir St., Vancouver, B.C.

The company recently announced that it had been granted TSX Venture Exchange approval for the acquisition of the Mt. Hamilton, Shell and Monte Cristo properties (the Mt. Hamilton property), all of which are contiguous and are located on the southern end of the Battle Mountain gold trend in eastern Nevada (see the company's March 26, 2008, news release for details) and has refocused its corporate efforts on exploring these projects. The company's board has determined that a company name change is appropriate to more closely identify with its new focus in Nevada and, among other things, the board will be proposing a resolution at the annual general meeting to change the company's name to Ely Gold and Minerals Inc., subject to regulatory approval.

The company is also currently making plans to begin drilling on the Mt. Hamilton property in mid-to-late June.

We seek Safe Harbor.
